Guidelines for the conduction of examination

1. Issue of Admit Cards:

The verification lists of the students have been uploaded in the university login of the institute. The admit card is displayed in the student login and student can download it from their university login.

Students are advised to carry their admit cards along with a valid personal Id while they commute to their examination centers. Carrying admit card to the examination centers is mandatory, failing which the student will not be allowed to appear in the examination.

2. What the students can carry in the examination hall

a. A face mask big enough to cover nose and mouth of the candidate.
b. A small transparent bottle (about 50 ml capacity) of hand sanitizer. (Examination center will also make arrangement for hand sanitizer for each examination room and help the candidates not having any sanitizer for hand sanitization.)
c. Two passport size photographs, in case the admit card does not have photo on it.
d. Non-programmable calculator as recommended by the university.
e. A valid photo ID proof (Institute ID card/PAN card/Aadhaar card/Driving License or Voter ID Card)

NOTE: Students are strictly advised against carrying any mobile/tablet and any such electronic devices (except non-programmable calculators as prescribed by the University) to the examination hall. As per the university rules, possession of any such device in the examination hall shall be treated as Unfair Means and the action against such candidates will be taken as per the university UFM rules.

3. Examination Activities:

A. Appointment of Officers and Staff:

1. The center superintendent (CS) will be either the Director of the institute or a senior faculty member appointed by him. The smooth and successful conduction of examination is the sole responsibility of the center superintendent. The Centre Superintendent (CS) shall then appoint following required number of officials for smooth conduct of the examination:
   a. Every exam center will have minimum one Assistant Center Superintendent (ACS). To avoid unforeseen situations.
   b. CS can appoint one extra ACS as per the following Table regarding the Norms of Appointment.
   c. The person to be appointed as an A.C.S. shall normally be a senior faculty member among the faculty of the Institution.
   d. The C.S. shall appoint A.C.S. wherever necessary and intimate their name(s) to C.O.E. for record. Approval of the University for the Appointment of A.C.S. is not necessary.
   e. The A.C.S. shall not leave the station during the examination days for any purpose without obtaining prior permission of the C.S.

f. Each examination room should have minimum two invigilators.

g. For calculating the maximum numbers of Room Invigilator (R.I.) on the center **per shift**:

- Divide the total registered students per shift by 30, then round up to the nearest whole number.
- Multiply the result by 2, then add 1 to get the total number of Room Invigilator (R.I.) required.

For Example: For 80 students:

- 80/30=2.6780 rounded up to **3**.
- 3x2+1=7
- Maximum number of Room Invigilator (R.I.) per shift is 7.

h. Teachers accompanying their students from outside Institution can also be taken as R.I. provided, they fulfill the necessary requirements as prescribed. The duty of such RI should not be in the room, allotted to their students.

2. University appoints University Centre Observer (UCO) for the center to ensure the fairness during the conduct of examination.
3. The duties of A.C.S/ R.I. / R.R.I. are enclosed which should be made available to these officials at the time of verifying in advance. C.S. shall also go through all these instructions including instructions to the students thoroughly.
4. **Tables regarding the Norms of Appointment of ACS/STAFF which may be engaged by the CS for the duration of the examination work shall be as follows:**

S No.	Description	Total No of persons to be engaged
1	Assistant Center Superintendent a. No. of Registered Students at the Examination Center (Upto 500 total registered students at the exam center) b. For subsequent 500 students (or part thereof) total registered students at the exam center	One Mandatory ONE Extra
Maximum number of the ACS shall NOT exceed 3 for complete examination. No payments shall be made to extra ACS, otherwise the extra payments shall be deducted from the CS payments.		

S No.	Description	Total No of persons to be engaged
1	Class III Staff c. No. of Registered Students at the Examination Center (Upto 500 registered students per day at the exam center) d. For subsequent 500 registered students per or part there of	Max Three ONE Extra
Maximum number of the Class-III staff shall NOT exceed 10 per day at full strength. No payments shall be made to extra Class-III staff, otherwise the extra payments shall be deducted from the CS and ACS payments.		

S No.	Description	Total No of persons to be engaged
1	Class IV Staff a. No. of Registered Students at the Examination Center (Upto 200 students) b. For subsequent 100 students or part there of	Max Four One Extra
Maximum number of the Class-IV staff shall NOT exceed 10 per exam day at full strength. No payments shall be made to extra Class-IV staff, otherwise the extra payments shall be deducted from the CS and ACS payments.		

S No.	Description	Total No of persons to be engaged
1	Security Staff: c. No. of Registered Students at the Examination Center (Upto 200 students) a. For subsequent 100 students or part there of	Max Three One Extra
Maximum number of the Security staff shall NOT exceed 10 per exam day at full strength. No payments shall be made to extra Security staff, otherwise the extra payments shall be deducted from the CS and ACS payments.		

5. The C.S. shall ensure not to allot a particular R.I. in particular room during successive exam shift. The R.I. should be rotated mandatory.
6. CS will be provided a login on the university portal during the examination. He can use this portal to download question papers, related instructions, corrections/updating in question papers and other related information regarding the examination.
7. CS shall also check the college login frequently for important circulars related to the examination. (e.g., correction in examination schedule which must be displayed on the notice board as well as properly communicated to all the candidates).

B. Preparations:

1. Immediately after the appointment, the C.S shall look into the requirements, depending upon the number of students allotted & appearing for the examinations and ensure that the required material (e.g., Answer booklets & other stationery) is received from respective Nodal Centre. CS should properly make records of all the answer booklets (*with packet number and booklet number series in that packet*) received from the Nodal Center.

   C.S. shall also be responsible for arranging the manpower required for the conduct of examinations. CS will also ensure the cleaning and sanitization of the examination center and examination rooms during the examination period and will ensure physical distancing during entry, examination and exit of the students and the staff.

2. The C.S. shall prepare well in advance, the statement regarding seating arrangements for the students (Table + Chair) as below:

   a. A definite seat for each student in good condition with a card containing roll number of students fixed on it.

b. The plan of the seating arrangement showing the position of students (according to their roll number) in each room for each day must be made available to the room invigilator and the examination staff posted at the centers' entry point so that they could be able to guide the students to their respective rooms and seats in the examination hall.

c. CS will also be required to prepare an isolation room were any student whose temperature is more than the recommended will be asked to wait for about 15-20 minutes before again measuring his temperature. If the temperature of the students remains the same, CS will arrange a separate room for the student to appear in his/her paper.

3. General instructions (that are made available to each student should be pasted on notice board & students should be advised to read them carefully before appearing for examination. These instructions are also available on university website http://www.aktu.ac.in.

4. C.S. shall check requirements (if any) for additional material to be supplied to examinee during examination such as - Drawing sheets, Steam tables, IS codes, statistical tables etc. and keep them ready for distribution to examinee.

5. Before giving answer booklet to the students, the facsimile seal of C.O.E. (sent separately) shall be affixed on booklets and answer booklet on the space specified for the purpose using BLUE INK ONLY.

   This is intended as a precaution against blank answer booklet being smuggled into the examination hall. If the Centre Superintendent finds any booklet in bad shape, he/she is requested not to issue such answer-books to the students to avoid the manipulation.

C. Receiving of answer booklets from nodal center:

a. *The answer booklet for semester examination session 2024-25 shall be made available by the University through the designated Nodal Centers. The nodal center must keep the record of the packets containing answer booklets (with packet number and the answer booklet series in that packet) provided by the University.*

b. The nodal center shall distribute the answer booklet to the examination centers allotted to that nodal center. *Nodal center must also keep the record of the packets with booklet series in that packet distributed to the allotted exam centers as per directions.*

c. The examination center should send the answer booklet to AKTU, Lucknow through the Post office on same day with proper packing. (Original packing slip should be pasted on the top of the packet and a proper Photo copy of the same must be inside the packet)

d. At the end of the last examination all the verification forms along with the various utilization forms (in hard copy as well as in soft copy - roll no wise scanned copy in pdf of the verification forms in a pen drive, i.e., the total pdf files should be same as the total number of appeared candidates at the exam center) of each of the examination centers and the answer booklet subject code wise and roll no wise to be packed and should be submitted at university.

D. Safety Measures at the examination centers:

CS and histeam is expected to ensure the following safety measures to protect the exam center staff

as well as the students appearing at their exam centers from any unwanted exposure.

a. The exam centers will be sanitized on regularly interval basis during the examination.
b. All washrooms will be thoroughly disinfected.
c. All trash bins will be emptied and thoroughly disinfected.
d. Notice boards will display the Covid-19 advisory for all students.

e. Centre shall make proper arrangement at the entry point so that proper distancing is ensured during the entry of the students to the examination center.
f. Seating arrangement will be displayed at the appropriate space at the exam center to avoid crowding.
g. Proper fire safety equipment's be installed.
h. A first-aid facility be at the exam center for any medical emergency.

E. Seating Arrangement:

It is advised to make appropriate arrangement so that proper distancing between room invigilators and the students can be ensured. Provide the seating plans to the room invigilators so that they could guide the students to their appropriate seats.

During the examination, representatives of university appointed agency will visit the examination centers to capture the face biometric data of the appearing students. They will also carry out the scanning of barcodes from the student's question booklets, answer booklet, and admit cards.

Students having symptoms of cold cough and fever should be made to sit in a separate isolation room to appear in their examination.

F. Before the commencement of examination:

1. It is imperative that the CS and the examination center control room staff will sanitize themselves after any activity like opening the packet, counting of answer booklet or any other activity deemed necessary in the control room.
2. Opening of the Answer booklets:
   a. The answer booklet packet(s) should be opened in presence of the observers and one room invigilator (preferably different in each shift) and keep the answer booklets as well as their records safely.
   b. The question papers will be sent on CS login ID before the commencement of exam to be opened and printed by the CS/ACS in the presence of observer appointed by the university and one room invigilator who will be act as witness.
   c. **An IP based camera must be in the examination center control room. The address of IP camera must be shared to the control room established at the University. The exam center must record all the activity in the control room. It must be operational with complete recording 24X7 since the commencement of the first paper of examination till the end of the entire examination.**
3. After printing the question paper, the C.S. shall arrange to put the question paper required for each block/each room in separate cover, which shall contain actual number of papers as per the number of students taking the examination in the block/room.
4. The packet with the required number of answer booklets and other stationery supplements shall be handed over to concerned room Invigilator to take to the

`

examination hall as soon as they report for duty (i.e., 45 minutes before on the first day of commencement of examination and 30 minutes before on successive days/ sessions).

The R.I. are to be present in the respective examination hall at least 30 minutes before the commencement of the examination on first day and 15 minutes before on subsequent days/ sessions.

5. The C.S. shall arrange to provide the roll numbers of detained students as verified by the Head of the institution of the concerned Institution or by the University to the R.I.
6. C.S. shall give instruction to the R.I. to read out the warning note to the students 10 minutes before the commencement of the examinations.

WARNING NOTE TO THE STUDENTS:

All the students in the examination hall should search their desks, tables, their own pockets & other belongings before the issue of Question Papers and handover to R.I. if any paper/ notes/ manuscripts or written material are found with them, the RI shall take necessary action as per the UFM rules of the university.

G. Entry at the exam center:

a. Candidates must adhere to the reporting time at the examination center as mentioned the examination schedule.
b. Exam centers will ensure that the students stand in a queue adhering to the proper distancing.
c. Students must be informed not to carry any objectionable material like mobile etc. with them to the examination hall. If any such item is recovered inside the hall, it will be treated as Unfair Means and accordingly disciplinary action will be initiated as per the university UFM rules. Physical frisking of the students is allowed in case of any serious doubt by appropriate invigilator.
d. They shall display their admit cards and ID cards to the exam center entry staff and the verification desk staff from a safe distance.
e. No entry will be allowed in the examination centers after the start of examination.

H. The Process in Examination Hall:

a. Exam center staff will ensure that the students will enter the examination hall only after thoroughly sanitizing their hands.
b. The students will report to the room invigilator present in the examination hall from a safe distance. They will show their admit cards to the invigilator who will guide them to their seat as per the seating plan. CS will ensure that the seating plan is available with the room invigilators.
c. Students will also sign the attendance sheet available with the room invigilator before proceeding to their designated seats. The students will again sanitize their hands after signing the attendance sheet.
d. All tables and chairs in the examination hall will be thoroughly sanitized before the start of the examination.
e. During the examination, invigilators will monitor the students from a safe distance.
f. Students will not be allowed to leave the examination hall before the completion of the exam. They may, however, be allowed to visit the toilets one at a time.

g. After the examination, students are advised to leave the Answer booklet on the table and leave the examination hall in queues, one at a time, while observing the physical distancing. Students are allowed to carry their question paper with them after the examination.

h. **The invigilators will check the details filled by the students on the Answer booklet and then put their signature/initials at the appropriate place on the Answer booklet.**

i. **Once the students leave the examination hall, the invigilators will collect the used Answer booklet from the students' desks in orderly manner, and then count the Answer booklets.**

j. After counting they will hand over the Answer booklet to the collection counter in the control room. The collection room staff will count the Answer booklet and place them inside a sealed envelope along with the copy of the attendance sheet.

4. Handling of used Answer booklets:

a. In the examination center control room, Answer booklet of a subject are to be packed and the packing label downloaded from the university portal is to be pasted on that packet (a proper photo copy that must be placed inside the packet with the answer booklets). It may be noted that the packing slips can only be generated after uploading the attendance of the students in a particular session.

b. In addition, a photocopy of Form 6 "Room Attendance" should be kept inside the envelope. It may be noted that original FORM 6 must be retained by the examination center and not to be sent to the university. Also, the self-declaration forms by students and by the examination center staffs are also to be retained by the examination center.

c. All booklets of a particular subject are to be packed together in a good quality polythene bag and further, (Not More than 30 Kg as per guidelines of GPO).

Step-1	Answer booklets (One Subject or part of one subject) must be packed in a polythene bag.
Step-2	Packets (Parts of above subject or All the Subject) are to be SEALED and PACKED in one carton/markin cloth provided that the weight should not exceed 30 Kg as per GPO guideline.
NOTE:	*A proper photo copy of packing slip also must be placed inside the every packet with the answer booklets.*

d. A subject wise summary of number of Answer booklet of that shift is to be reported by fax/mail/web application to university on the same day positively.

e. The CS/ACS along with one of the observers shall hand over the packets to the Post Office on daily basis after the end of the examination of the day. However, the answer booklets should be packed & sealed immediately after the examination of a shift is over.

f. The C.S. is required to keep a record of daily attendance of students with their signatures in FORM 6 supplied from the University. Roll numbers of students absent from the examination in each paper for any reason whatsoever should be reported in the absentee statement. If any answer-booklet is sent to the Controller of Examinations separately on account of the student(s) having resorted to the use of unfair means or for any other reason, this fact should also be mentioned in the absentee statement. If no student is absent,

a 'Nil' report be given in the absentee statement. On the other hand, if no student turns up for examination in any paper, all the students should be reported absent in the absentee statement. The number of students examined at each center as shown in the attendance statement plus the number of students shown there as absent must tally with the number registered as shown in the consolidated numerical return of students. If there is any discrepancy, the same should be clarified in the absentee statements and also intimated to the C.O.E. separately through a letter.

g. At the end of each examination, three copies of a consolidated statement of absentees in the using proper Form No. should be prepared and sent as per direction on the form. One copy may be retained at the center.
h. The C.S should note the above instructions and the details of the subject, time allowed for each paper etc. carefully as given in the examination schedule published by the university. At the conclusion of the examination, he/she should send a report for the information of the Examination committee that the examinations at his/her center was conducted in accordance with instructions. He/she may, if thinks necessary and has some special suggestions to make for improvement for the conduct of examinations, send a separate report to the C.O.E.

In case of any matter related with the conduct of examination, not covered in the above paragraphs, the C.S. are advised to act according to his/her own discretion and report his/her action to the C.O.E. Orders passed by the C.S. on any matter not provided in these instructions shall be binding for all the examinee and officials etc.

5. Instruction to the Room Invigilators (RI):

a. RI must count the number of question papers and the answer booklets as the allotted candidates in the examination hall.
b. After distributing the answer booklets to the candidates RI should ask the examinee for any kind of damage in the answer script, and in case of damage replace that with proper record (the answer booklet number) to the control room.
c. The examinee should make the entries in the answer booklet correctly as per their admit card and write the answer booklet number in their admit card for future reference.
d. *RI MUST ask for any correction in the question paper in the FIRST HALF AN HOUR ONLY after that NO correction shall be entertained. In case of correction RI must bring it to the knowledge to the Center Superintendent /Observer at that center.*
e. *RI MUST make sure that the entries on the answer booklet, room attendance, verification form and the admit card of the examinee are correct.*
f. In case of UFM bring it to the knowledge of CS/Observer.

6. Instruction to the Observer (s):

a. Observer (s) should make sure that all the preparedness has been done by the examination center. (e. g. proper control room with CCTV recoding and 24-hour power backup, internet connectivity, printing facility, all safety measures, cleaning, proper rooms etc.).
b. Must be present in the control room while printing of QP and distributing of QP and the

answer booklets and at the time of the collection of the answer booklets.

c. Any kind of correction in QP should be informed to the University control room immediately as received from the examination hall.
d. Must take round throughout the examination in the examination rooms and also be vigilant during the examination in order to avoid any kind of malpractices at the examination center.
e. In case a candidate due to medical reasons, requires a writer, then the permission of write be given after checking all the medical documents. The writer (not in relation with the examinee) details College-ID, Aadhaar etc., should also be kept with the exam center and a scanned copy of each should be sent to the control room.
f. The writer shall be of 12th standard or first year of Arts graduate.

e. AT THE END OF THE EXAMINATION OBSERVER MUST ENSURE:

i. The UTILIZATION Certificate of the Answer booklets as well as the money given to the center for conduction has been provided by the center or not.
ii. The scanned copy should be made available of all the verification of the individual candidate roll number wise in PDF format and the file name must be the roll number of that candidate. (Duplicate pen drives). Total number of pdf files should be same as the total number of the students appeared at the exam center.
iii. All the verification in hard copy in bind form (college wise and date and shift wise) to be send to the University and a copy of that to be retained at the examination center.
iv. All of the above (i), (ii) and (iii) must be checked by the observer (s) particularly the pen drives containing scanned copy of the verification of the candidates (in PDF form and roll number wise data) and ask the CS to provide these to the office of the controller through a person. So that the documents and the pen drive can be checked of the examination center.

Note: Observers have to ensure that any correction / updation /information needed in the ongoing question papers by the candidates should be reported to the control room within the first half an hour after the commencement of the examination, so that any necessary corrective action may be taken by the university in time.

7. Responsibilities of participating College / Institute:

During the examination each college / Institute shall ensure the following:

1. Provide the faculty (at least TWO in number) to the examination center for (i) helping in invigilation / examination work as desired by CS, (ii) to verify / manage your college / Institute students at the examination center.
2. Instruct all the students to reach the examination center well before time.
3. To ensure that all the students must have valid admit cards and identity cards.
4. To instruct the students to be in proper dress and should not create any nuisance at the examination center.
5. The corrections (if any) in question papers must be duly communicated in EACH CONCERNED room to each student.

I have read the report of the Room Invigilator/Supervisory staff made against me as given in column No. (B) and submit the following statement:

Undertake that this statement has been given by me under no pressure or fear.

1. Do you agree with the report of the Rom Superintendent/ Supervisory staff made against you? | Yes | | | No | |

2. If you agree with the report, then:

   (a) Why did you bring the material referred to in the above report?

   _____

   _____

   (b) Did you make any use of it_____

   (c) What explanation have you to offer for your misconduct/disorderly conduct as mentioned in the report?_____

   _____

   _____

   (d) Have any other thing to say, by way of self-defense or clarification?

   (if necessary, an extra sheet may be used)?_____

   _____

   _____

3. If you do not agree with the report, then give your explanation, if any, in your defense against the report of the Room Superintendent/Supervisory staff:

   _____

   _____

Signature of Candidate

Note:

1. The candidate shall be given extra time, if he so chooses, before leaving the Examination Hall in order to compensate him for the loss of time spent during enquiry and filling this form.
2. The University will consider no other representation made later on in this regard.

3. If a candidate refuses to give his/her statement on the spot or runs away from the center, his/her case will be decided by the University in absentia on the basis of the report of the Room Invigilator/Centre Superintendent, and no representation or protest from him/her will be entertained afterwards.

(D) Statement of Witness if any:

Statement of the witness, if any, in case the candidate denies the allegation of the Room Invigilator or refuges to give his/her statement on the spot or runs away the Centre without giving his/her statement.

_____

_____

_____

_____

(E) Remarks of the Centre Superintendent

Note:

1. The Centre Superintendent should personally make any an enquiry into the above matter and give his statement/observations in detail.
2. If a candidate denies the allegation of the Room Invigilator or refuses to give his/her statement on the spot or runs away from the Centre without giving his statement, the Centre Superintendent should record the statement of the witness in the matter in Para-D.
3. In case the Unfair-means/misconduct of the candidate is such that documentary proof is not possible, please mention the details (after recording the statements of witness, if deemed necessary).
